NAMES & ADDRESSES OF MILITARY PERSONS SERVING IN COMBAT ZONES

The Guttenberg Rotary Club is the proud local sponsor of the IOWA CARE PACKAGE, INC. program in Northeast Iowa and **WE NEED YOUR HELP!**

The goal of the program is to send packages to our American soldiers in combat zones. The products sent are intended to make their lives a little more comfortable and boost their morale by enclosing letters of appreciation from the "folks back home." **Guttenberg Rotary** has donated funds to send twenty packages to get things started **but we need names and addresses. Please contact** us with the names and addresses of your family and friends who are American soldiers serving in a combat zone. We would also welcome any letters you wish to insert to our service persons.
